### THE BARBARA TURNER MEMORIAL HOUSEWARMING SHOWER

When families leave shelters to move into permanent housing, they are starting with nothing. To provide the basics, Ashton UMC is throwing a housewarming shower in memory of Barbara Turner, a tireless servant of God! You can help by purchasing household items (they must be new) and bringing them to Ashton on/before April 21st. On that day, we'll bless the collected items during worship and celebrate new beginnings during fellowship afterwards. The list of items needed is available on the table outside the sanctuary and on the website.
