These dates are subject to change. Please refer to your monthly class calendar and monthly news for any changes. We will use the **Procare App** to notify families of any closures due to inclement weather, unscheduled emergencies and any other closures. We follow MCPS for inclement weather days but we reserve the right to make an independent decision on closures.

We offer a **Summer Program** for three weeks June 1 through June 17 for our current students. The first session is Tuesday through Friday following Memorial Day weekend (June 1-4). The following two sessions will be offered Monday through Friday (June 7-10 & June 14-17). Summer Program times are TBD. We have exciting themes and lots of water play. Registration information will be provided in April.
